

Learn Spanish the Easy & Convenient Way

The Hispanic Community Development Center, Inc. of Dudley, NC is a Command Spanish® Inc. Authorized e-Training Affiliate for online courses. These online courses use the language Power-Lock System™ which is an innovative language learning approach designed by Command Spanish® Inc., the inventors of occupational Spanish. This unique, user friendly system is designed to lead the learner to acquire job specific language phrases.

Available programs to choose from:

Spanish for Financial Institutions

Spanish for Construction Supervisors

Spanish for the Community

Spanish for Pharmacy Personnel

Spanish for Real Estate Sales

Spanish for Medical Office Nurse and more ...

These programs are self-paced, non-teacher led, asynchronous and based on adult education principles. **No prior knowledge of Spanish is required.** Upon completion of a course, you will have immediate access to and be able to print your own Certificate of Completion. Cost for each program is only **\$99.00**

Your participation in this educational program will support and allow our center to provide continuous services to our community. These services include, but not limited to: ESL programs, classroom Spanish classes, translation services, the Back-To-School materials for children, computer course and emergency food bank that services more than 80 families a year .
